**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I say NO to price hikes that will increase the cost of internet and phone services. I would like to have options when it comes to choosing my internet and telephone providers which will not be available without healthy competition. Broadband is critical for my place of work and home as 99% of what I done online.
